## Practical Ideas and Strategies

Join experienced K-2 teacher and seminar leader **Linda Klotz** in this seminar that will provide you with classroom-tested explicit, systematic phonics strategies, mini-lessons, small group reading strategies, and meaningful word work activities that can be implemented within your K-2 reading workshop program. These ready-to-use ideas will give you a fresh perspective, clarify the most effective phonics instructional practices and keep your students moving forward as readers. Linda will share proven ways to practice and build upon these phonics skills at a word work center within the reading workshop. You'll see demonstrations of mini-lessons and response activities that will strengthen your students' comprehension and vocabulary skills. ***Linda will share only the strategies she has used with success in her own classroom, including ideas for comprehension, developing vocabulary, and interactive and systematic phonics instruction appropriate to each student's individual reading level. You'll leave with numerous ideas you can use right away.***

# A Message From Seminar Leader, Linda Klotz

## Uniquely Qualified Instructor

**LINDA KLOTZ** is an outstanding presenter with extensive experience as an early childhood teacher. She has presented nationally for school districts and at early childhood conferences and seminars. All the ideas Linda shares have been tested and proven to work in her own classroom. Linda's seminars are dynamic and innovative, yet highly practical and easy to implement. She is the author of *Enhancing READING WORKSHOP: Make Best Use of Explicit, Systematic Phonics, Small Group Strategy Lessons and Word Work Activities to Boost Early Reading Success (Grades K-2)*, the extensive resource handbook each participant will receive at the seminar. Participants leave Linda's seminars with a wealth of proven techniques and practical strategies that can be implemented immediately.

Dear Colleague:

This day is for you! As an experienced grades K-2 teacher and seminar leader, I want to share with you the best of what I have found to be successful with real students in real classrooms. My goal is to equip you to feel more empowered, organized, and mindful in delivering highly effective, differentiated reading instruction that is responsive to your students' needs.

During our day together, you will learn innovative ideas and proven strategies to change, adapt, and/or tweak your current reading workshop program for dramatic results. I will share powerful engagement strategies, effective reading tools, interactive and developmentally appropriate systematic phonics activities, and word and fluency-building work to make your reading workshop more productive. We will also look at how to stimulate a positive learning environment and growth mindset necessary for students to learn best.

This seminar will help clarify how you can better reach your students through mini-lessons and small reading groups while keeping the rest of your students actively practicing the work of reading in reading workshop. The day will be packed with teach, model and practice opportunities that are sure to re-energize you and give you new tools you can immediately use. All the strategies I share are practical, easy-to-implement, and classroom proven to increase the reading achievement of all your K-2 students.

Sincerely,

A handwritten signature in black ink that reads "Linda Klotz". The signature is written in a cursive, flowing style.

Linda Klotz

P.S. You will receive an **extensive digital resource handbook I created specifically for this seminar** that is filled with ideas and strategies to make your reading workshop program more effective.

*'The day will be packed with teach, model and practice opportunities that are sure to re-energize you and give you new tools you can immediately use.'*
