A Message From Seminar Leader, Rebecca Gault

Uniquely Qualified Instructor

Dr. REBECCA GAULT is an enthusiastic presenter and master ELA teacher with a wealth of knowledge and experience on the most effective strategies teachers can use to strengthen and catch up the skills of their most struggling ELA students. Rebecca is a National Board Certified Teacher in Adolescent and Young Adult English Language Arts, and a published author of several books on the topic of grades 6-12 literacy instruction. She is the author of *Increase the Reading Skills of Your Students Who Struggle the Most*. She is also the author of *Catching Up English/Language Arts Students Who Have Fallen Behind: Strategies that Work*, the extensive digital resource handbook you will receive at the seminar. Rebecca provides ongoing professional development to teachers across her state and teaches online literacy courses with an emphasis on meeting the instructional needs of struggling ELA students. **While Rebecca's strategies are research-based, they are also highly practical, easy to implement, and extremely helpful for increasing the learning of your struggling ELA students.**

Dear Colleague:

We are seeing increasing numbers of English/Language Arts students who are not only struggling, but who have fallen behind. Unfortunately, the challenges we've faced in these unprecedented times have not helped this situation.

The good news is that I have designed this seminar to include the most innovative, essential, and practical strategies for increasing struggling ELA students' learning. I want to help you meet the needs of your struggling students and to ultimately help them catch up in English/Language Arts

As an experienced secondary ELA teacher, I am excited to share with you the very best of what I have found to be helpful for strengthening struggling students' learning. I will equip you with research-proven, easy-to-implement strategies to increase the motivation, stamina, and growth mindsets of even your most struggling and at-risk students.

In this seminar we'll explore strategies designed to help your students improve their comprehension, build their writing skills, and increase their confidence as learners. While this seminar is grounded in research-based strategies, the emphasis will be on highly practical techniques and strategies that you can incorporate immediately to help your struggling students catch up and gain momentum!

I look forward to meeting you at the seminar and sharing many classroom-proven techniques that will immediately improve the performance of even your most struggling students. Trust me, you will get many great ideas you will want to use right away at this seminar!

Sincerely,

Dr. Rebecca Gault

P.S. You will leave with dozens of practical ideas and my extensive digital resource handbook for increasing the learning of your struggling ELA students.

"... the emphasis will be on highly practical techniques and strategies that you can incorporate immediately to help your struggling students catch up and gain momentum."
