

Making Best Use of GOOGLE CLASSROOM, Free Google Tools, Apps and Extensions to Enhance Instruction (Grades K-6)

A Unique One-Day Live Online Seminar Presented by

James May, Ed.D.

Award-Winning Teacher and Digital Innovator

Designed Specifically for Educators Serving Grades K-6: Classroom Teachers, Technology Integration Specialists, Title I Staff, Special Education Staff, Library/Media Specialists, and Administrators

Practical ways to make best use of Google Classroom, Google Tools and Apps

Harness the full potential of Google Drive to engage your students as they create, collaborate and share content that demonstrates what they know and can do

Timesaving strategies for using free Google Tools to better differentiate learning in and beyond the classroom

Utilize free Chrome extensions and add-ons to foster greater initiative and self-direction in all your students

Please plan to utilize a Chromebook or laptop with the Chrome Browser installed.
(This is not a requirement, but using an iPad, Android tablet or smart phone will not provide access to the full range of Google or Chrome resources covered in the seminar.)

your convenience (see page 6)

Ten Key Benefits of Attending

"James is great. His seminars are very interactive and give wonderful suggestions for technology we can use in the classroom."

– KRystalynne Roach,
TEACHER

Who Should Attend

Educators Serving
Grades K-6: Classroom
Teachers, Technology
Integration Specialists,
Title I Staff, Special
Education Staff,
Library/Media Specialists,
and Administrators

1. **Make the Best Use of Google Classroom, Free Google Tools, Apps, and Extensions to Enhance Learning**

Learn practical applications for more effectively using Google Classroom and free Google Tools to foster learning of key skills and concepts ... Go beyond the basics and discover the latest updates in the tools you'll want to use the most

2. **Harness the Power of Google Drive for Collaboration and Communication**

Discover the amazing variety of practical ways Google Drive can significantly enhance collaboration and improve communication as students build content together

3. **Tap into the Best Google Apps and Extensions to Engage Your Students in Complex and Creative Thinking**

Examine the apps you and your students can use to better collaborate and create videos, presentations, visuals, and more ... Apps and strategies to project wirelessly, turn smart devices into classroom clickers, enhanced whiteboards, lightboards, and more

4. **Utilize Google to Foster 21st Century Skills**

Today's students need to be college, career and life ready ... Experience how cutting-edge technology can help foster the 4 C's of 21st Century learning: critical thinking, communication, collaboration, and creativity for all your students

5. **Teach Your Students Advanced Search and Close Reading Techniques**

Teach your students advanced search techniques from Google Power Searching and Advanced Power Searching

6. **Boost Student Achievement in All Content Areas**

Experience hands-on, comprehensible strategies to use Google Tools, Apps and Extensions in all content areas ... Teach academic content and the related vocabulary while improving literacy skills at the same time

7. **Increase Opportunities for Speaking, Listening, Reading, and Writing**

Using the tools that students are most comfortable with for communicating, learn to take advantage of Google to encourage all modes of communication

8. **Differentiate Learning In and Beyond Your Classroom**

Experience innovative ideas for providing additional learning support and differentiated opportunities for students to work at their own pace using free and easy-to-use video apps and extensions

9. **Build an Array of High-Quality Interactive Learning Materials and Activities**

Use Google Tools, Apps and Extensions to increase your repertoire of interactive options and engage your students in fun and productive ways while you formatively assess their growth

10. **Receive an Extensive Google Digital Resource Handbook**

Each participant will receive an extensive digital resource handbook that includes detailed descriptions and practical applications of each of the Google Tools and Apps presented during the seminar

Outstanding Strategies You Can Use Immediately

What You Will Learn ...

- **Strengthen your knowledge** of Google Classroom, Google Tools, Apps and Extensions and their practical uses in grades K-6
- **How you can utilize a combination of Google Apps** and tools to help your students develop essential 21st Century Skills
- **Ways to work smarter, not harder** ... Timesaving tips for using a variety of Google Tools more efficiently, including self-grading, effective searching, hidden assets in Drive, and more
- **Strategies for designing hybrid and online lessons** designed to enhance instruction using free Google Apps and Tools
- **Google search strategies** that improve student research and citation skills, identify copyright-free images for projects and narrow the search to increase productivity
- **Ways to weave modes of communication, culture and 21st Century skills** into student work both in and outside of the classroom
- **How you can differentiate instruction to better meet the needs of all your students** with Google Classroom, Google Drive, YouTube, and Chrome add-ons
- **How to improve workflow and data collection as evidence of student performance** through downloads and installation of Google Apps and add-ons
- **Proven ideas** to guide all your students toward developing greater academic success

"James May is awesome! Very well presented and highly engaging!"

– KAREN AMMANN, IT COACH

Practical Ideas and Strategies

Are you looking for the best ways to harness Google Classroom, free Google Tools, Apps and Extensions for enhancing instruction? Are you interested in fostering the four C's of 21st Century learning while integrating web-based tools and resources? If you want to learn how to more effectively channel the tools your students already access into rich web-based collaborations and products- this is a seminar you won't want to miss!

In this uniquely focused seminar, **James May, Ed.D.**, award-winning teacher and digital innovator, will help move your instructional program into the 21st Century utilizing Google Classroom, Google Tools, Apps, and learning innovative practices for integrating mobile devices, media, and more for enhancing student learning. James will show you practical ways Google Tools can enhance instruction while fostering greater accountability, productivity, initiative, and self-direction. James will demonstrate how to best harness Google technologies and use them to motivate all your students.

You'll leave this seminar knowing that you can effectively use Google Tools, Apps and Extensions to enhance instruction and improve student performance in the process. The comprehensive digital resource handbook and accompanying website you'll receive at the seminar will continue to keep you up-to-date as technology changes and provide an ongoing professional development community.

A Message From Seminar Leader, James May

Uniquely Qualified Instructor

JAMES MAY is a nationally recognized, award-winning teacher and digital innovator. He is a positive, energetic presenter who knows how to help teachers engage students in the classroom. His passion for digital innovation and his desire to share what he has learned is fueled by 20 years of Computer Assisted Language Learning (CALL) experience. James is the author of *Making Best Use of GOOGLE CLASSROOM*, *Free Google Tools, Apps and Extensions to Enhance Instruction (Grades K-6)*, the extensive digital resource handbook each participant will receive at the seminar. The information you learn at the seminar will be outlined in the handbook for easy reference, as well as a link to a companion website.

Participants in James' presentations have found them engaging and highly practical with a wide variety of applications for immediate use.

Dear Colleague:

I have a passion for utilizing Google Classroom and Google Tools as well as the wide variety of technologies this new world provides. I can't wait to share what I have found works best with students. My focus for this seminar will be ways to make the best use of Google Classroom, Google Tools, Apps, Extensions and techniques for use with smart devices, tablets, Chromebooks, and other technologies to best meet the needs of students in grades K-6.

As a fellow educator, I know how valuable your time is. I also know that trying to stay current in this new world of technology can quickly become overwhelming. To save you time, I will share the most useful, device-agnostic teaching strategies, Google Tools and Apps available, and I will show you how to best utilize them in your classroom to engage and motivate students while enhancing their learning experiences. During the seminar, you will see more than just Google Classroom, Google Tools and Apps. I will provide live demonstrations from start to finish so you will know exactly how to implement these tools in your classroom. You'll also leave with an extensive digital resource handbook that will provide step-by-step instructions!

I look forward to seeing you at the seminar!

Sincerely,

James May Ed.D.

P.S. The focus of this seminar is on the **latest Google Classroom, Google Tools, apps, extensions, and techniques to best meet your students' needs.**

"I will share the most useful, device-agnostic teaching strategies, Google Tools and Apps available."

What Your Colleagues Say About James May

*"James is a **dynamic, engaging and entertaining presenter!** He is very knowledgeable and shares his expertise in an easy-to-follow manner."*

– Brianne Morris, Teacher

*"**Very useful information!** Awesome ideas to start using immediately that are expertly balanced with inspiring ideas to grow into the future."*

– Carly Andrew, Teacher

*"James May is very **dynamic and inspiring!** I received ideas that I can use immediately in my classroom."*

– Bridget Cassidy, Teacher

*"James is very knowledgeable. **I'm excited to try a lot of fun, new things with my students.**"*

– Katie Devaney, Teacher

About BER Seminars

Outstanding Instructors

All programs are led by outstanding, top-rated BER national trainers.

Extensive Digital Resource Handbook

You'll receive an extensive digital Resource Handbook full of practical strategies and resources.

Highly Interactive

You'll be able to ask questions, consult with the instructor, and share ideas with other participants.

Program Guarantee

As we have for 45 years, we guarantee the high quality of our programs. If you are not satisfied, we'll give you a 100% refund.

Special Benefits of Attending
