A Message From Seminar Leader, Christalle Hart

Uniquely Qualified Instructor

CHRISTALLE HART is an experienced elementary school teacher, Instructional Technology Coach and Google Certified Educator. She not only has used Google Classroom extensively with her own students, but now trains and coaches other grades K-6 teachers on how to make best use of Google Classroom. Christalle has built a reputation for being a tech-savvy educator and skilled presenter on all things Google. She loves helping fellow educators discover practical ways to leverage Google Classroom, Tools, Apps, and Chrome extensions to greatly enhance learning in their grades K-6 classrooms. Christalle enjoys sharing effective ways to engage students in tech-rich environments that develop creativity, critical thinking, effective communication and collaboration. Christalle is the author of *Making Best Use of Google Classroom to Strengthen Your Instruction*, the extensive digital resource handbook you will receive at the seminar. **Join Christalle for an outstanding day full of specific ways you can get the most out of Google Classroom to strengthen your grades K-6 instruction.**

Dear Colleague:

Today, more than ever, our grades K-6 students need rich opportunities for communication, collaboration, creativity and critical thinking. The good news is that Google Classroom is a terrific tool for facilitating exactly this kind of learning.

As an experienced elementary school teacher, I have witnessed the power of Google Classroom to transform and strengthen my instruction. I have personally used Google Classroom extensively with my own elementary students and I now train and coach grades K-6 teachers on making best use of Google. I am excited to share with you the best of what I have found works in making best use of Google Classroom.

In our day together, I will share the best, practical ways you can get the most from Google Classroom Extensions and Tools in your grades K-6 program. Prepare to discover a wealth of outstanding ways you can easily increase student engagement, effectively differentiate, and provide real-time formative assessment and feedback. We will explore strategies that help to counteract learning loss. Best of all, the tools and strategies you learn about will allow you to be more efficient and effective in the classroom, ultimately saving you valuable time.

Whether you are brand new to Google Classroom, an experienced user or anywhere in between, I look forward to helping you discover effective, practical, timesaving tools and strategies that you can immediately use to enhance your instruction. You will leave with a wealth of outstanding Google Apps, Tools, and Chrome Extensions ready to use in your Google Classroom and perfect for your grades K-6 students.

I look forward to spending the day with you!

Sincerely,

Christalle Hart

P.S. I have personally witnessed how Google Classroom can transform grades K-6 learning. I can't wait to show you how!

"In our day together, I will share the best, practical ways you can get the most from Google Classroom, Extensions and Tools in your grades K-6 program."
